

# Accessing assigned devices in Asset Panda

1 Navigate to [https://login.assetpanda.com/users/sign\\_in](https://login.assetpanda.com/users/sign_in)

## 2 Click this button.

The screenshot shows a login page on the left and a video player on the right. The login page has a title "Log In", a link "Not a client yet? Request a demo", an email input field with "aaron.rae@zoll.com", a password input field with "show" visibility, a "Remember me" checkbox, a blue "Log In" button (circled in orange), a "Forgot your password?" link, a message "You need to sign in or sign up before continuing.", social media icons for Facebook, YouTube, and Twitter, a support email "support@assetpanda.com", and a copyright notice "© Copyright 2025. All Rights Reserved. Terms". The video player on the right shows a video titled "The Latest at A" with the text "Watch The Latest" and "In the fourth episode of The Latest updates, show us how to customize".

## 3 Click "Stations"

The screenshot shows a web application interface with a dark navigation bar at the top containing "Assets", "Configurations", "Stations" (circled in orange), "Work Orders", "Calendar", and "Reports". Below the navigation bar is a table with the following columns: "Installed Station", "GPS Tracking Link", "GPS Tracking Serial #", "Next PM", "Purchase Date", and "Docume".
